

# HAL P.I.B.

RMCC, SEC, BEC, BCU, etc.

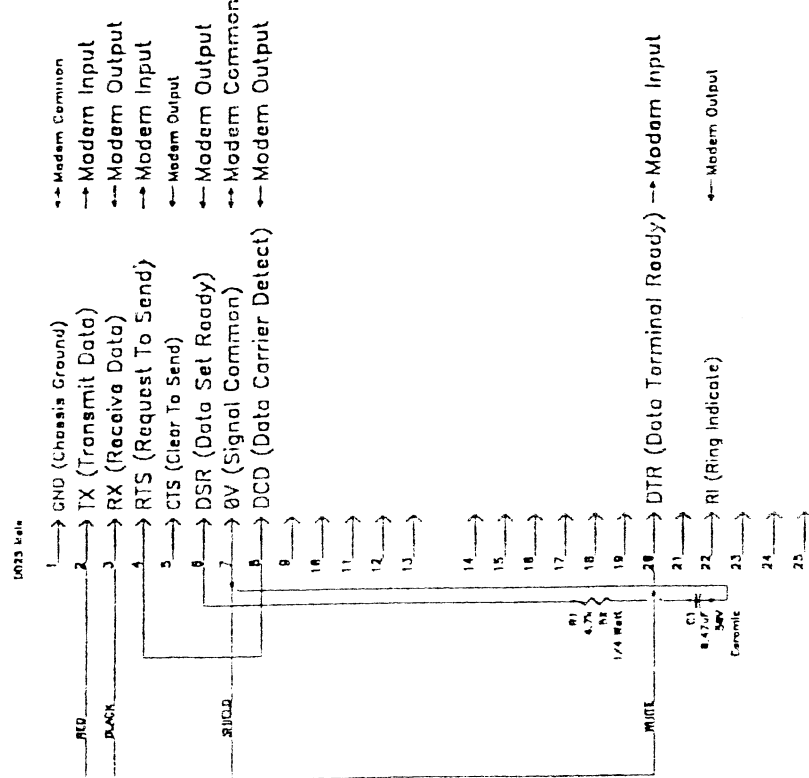

Terminal Block is not included with this cable.

5 Feet of Delden 8711 Cable

MODEM

This cable is for use with one HAL, or with several HAL's bussed together, and a modem.  
It may NOT be used with modem and terminal combinations.  
(For modem and terminal combinations connected to HAL's, use a CPC Bus Amplifier and appropriate cables.)
